GIBB E-NEWS: TERM 2 (WEEK 6)

Student Affairs

1. Year 12 OPC Experience - what a week! The rain and cold could not dampen this experience. The feedback has **all** been incredibly positive. Next week there will be a short review of the experience by one of the boys (and hopefully some photos.)
2. Speech awards were given out in assembly to the following boys: Mario Cooper, Daniel Choi, Jordan-Glen Bradbrook, Nick Healy, Terran Marshall and Emmanuel Nagoor.
3. All Year 9 & 10 boys have been through a Study Skills session with John Horrell recently. I observed a session this week and it was outstanding. This group of boys should be working hard at preparing themselves for these exams. They have all written revision timetables and been given exam guidelines by their teachers.

The new Gibb House photo gallery is now available. Go to.

Gibb House competition:

With the Year 12 boys away on OPC this week was devoted to junior longball.

Current standing:

1st Kelway

2nd= Thompson

2nd= Fontaine

Top Blokes:

Solomon Tumbu – an improved Progress Card.

Daniel Choi – highly commended in his speech exam.

Reminders:

1. Mid Winter Christmas Dinner: Sunday 13 June. RSVP.

2. As we move deeper into the winter months it is important that the boys are reminded about staying healthy. The message about eating well, drinking plenty of water, getting plenty of sleep, showering everyday, dressing to fit the weather and ensuring their dirty gear & bedding is taken out to the laundry is a regular theme at house meetings. Can you please reinforce this at home?

3. **Cookbook Sales Competition:** a reminder about the challenge I have made to all of the boarders to get in behind this competition. It is another great opportunity for the boarders to prove just how much this place means to them. Your support would be greatly appreciated.

4. Contacting teaching staff by email – surname & 1st letter of first name @scotscollege.school.nz eg hallg@scotscollege.school.nz
