Year 13 EOTC week Information

Dear Parents and Caregivers of year 13 students

This letter is to advise you of the EOTC (Education Outside the Classroom) trip your child will be involved in this year. The theme of the year 13 camp is '21st Century Citizenship and Leadership'. The year 13 'camp' is largely based around school or in Wellington CBD. There is no overnight camp as such.

Activities:

The students will be involved in a leadership seminar on Monday and a careers day on Tuesday. On Wednesday and Thursday, the students will be involved in 4 activities across the two days. These activities include a cooking contest at 'Social Cooking', climbing, kayaking and SUP at in the city. On Friday the expectation is that each house will be involved in service of some sort. This will be planned and lead by the students in conjunction with the teacher assigned and the TiC of the week – Victoria Papadopoulos. The students will have some preparation time leading up to the EOTC week for this.

Cost:

The total cost for week is approximately \$300. A deposit of \$150 will be invoiced to you at the end of February. This deposit will be charged out on the 28th February. **This deposit is non-refundable** as it covers the fixed costs associated with group bookings. **EOTC is a compulsory part of the College program. To withdraw your child for any or all of the week you must first gain permission from the Senior School Principal** - for these camps it is Friday 21st February. After this date your deposit may not be refunded. I am aware that at times there are exceptional circumstances, the Principal reserves the right of discretion in these circumstances.

Where:

This camp will meet and depart from school most days, or boys will meet in the CBD. More detailed information will follow closer to the time.

2. Click on eForms and locate the EOTC consent form

You will be able to list any specific dietary and medical requirements here. Repeat for each child.

This week will require only a basic level of fitness. All that is needed is an open mind and a good attitude. Tidy casual attire is fine for each day. Friday will involve a lot of walking so running shoes, a bottle of water and back pack is a good idea.
