Standards and Expectations

Our aim is the maintenance of high standards in student behaviour and appearance. The reputation of the College depends on the awareness of all members that to live in a happy, safe and purposeful environment, personal discipline is essential. Scots College is a traditional institution with an illustrious history. Yet there is a modern outlook and a future focus. We strive for excellence in all that we undertake.

Restorative practice is at the heart of what the College stands for. However, the College will not tolerate any breaches of major school rules. The College reserves the right to require that any student breaching any such rule be suspended or withdrawn from school by their parents, and, failing a voluntary withdrawal, any such student may be expelled.

This policy applies to any acts or behaviour which in the Headmaster's opinion amounts to misconduct which is a harmful or dangerous example to other students at the school.

Specifically, any breaches of the following rules will entitle the Headmaster to suspend, require withdrawal or expel any student:

- The use and/or possession of any drug prohibited by law or any psychoactive substances other than prescription medicines.
- The possession of and/or use of tobacco, e-cigarettes, shisha pens or any other form of smoking or vaping paraphernalia
- The consumption and/or possession of alcohol at school or whilst under school supervision.
- The theft of money or property.
- Bullying or harassment of any nature (including verbal, physical, emotional and technological).
- Gross misconduct in the Boarding House or College.
- Continued disobedience or repeated disregard for any school rule, standard or expectation.

The College also reserves the right to require withdrawal of a student or if necessary expel a pupil in the event of a student's gross misconduct or behaviour outside the College which, in the opinion of the Headmaster, has brought or is likely to bring the College into disrepute.

Summary

1. Students must always act and behave in a way that supports the special character of the College and upholds its reputation.
2. Good manners and behaviour are expected at all times.
3. All staff and students have the right to work and learn in a safe and friendly environment.
4. Students are expected to behave with consideration for others. Interfering with the rights and safety of other students or their learning is not acceptable.
5. Students must not behave in a way that harms or threatens the safety or mental or physical well-being of any other person.
6. Bullying or harassment of another student is a serious offence. Bullying or harassment encompasses verbal, emotional, physical or technological e.g. the videoing or photographing of any person on any electronic device without their permission and then disseminating or publishing the images.
7. Students must at all times look neat and tidy and wear their uniform correctly and with pride.
8. All students must meet the College's 'Standards of Appearance'.
9. Students are expected to respect all personal and school property at all times. There is to be no uplifting, interfering with, damaging or defacing of any property.
10. Wilful damage to personal or school property is an offence.

12. Possession and/or use of tobacco, alcohol, drugs, solvents, psychoactive substances other than prescription medicines and any other such substance is forbidden at school or while involved in activity related to the school. This includes the possession and/or use of E-cigarettes, shisha pens or any other form of smoking/vaporizing paraphernalia.
13. All students who wish to bring a motorised vehicle to school must have permission to do so in advance. A set of conditions under which students may drive to Scots College by Private Motor Vehicle exists and these must be adhered to at all times. In normal circumstances only Year 13 students have the privilege of bringing cars to school. Students who wish to ride a moped or motorcycle must also seek permission from the Deputy Principal (Senior School).
14. No student should be absent from class without written permission from parents, Senior staff or the subject teacher at the time.

Standards and Conventions

1. Student Behaviour

At Scots College we run a restorative model when dealing with student discipline and classroom management. The aim of this approach is to maximize positive learning relationships, and these are important both inside and outside of the classroom. A restorative system operates in an environment that has a high level of structure as well as fairness, support and care. When this environment exists, it allows staff to work “with” students. By working “with” students, we problem solve together, we are respectful of each other, approaches are collaborative, and it involves individuals reflecting upon and taking responsibility for their actions.

To provide the structure required to make this approach work we have The Scots Way. The Scots Way consists of the four P's. All students and staff are expected to abide by these expectations at all times. See inside cover for a copy of The Scots Way.
